

## SPRINT 1

### Twilio account creation:

The screenshot displays the Twilio console interface. The top navigation bar includes the Twilio logo, the text "Console", and a dropdown menu for "My first Twilio account". A trial status banner indicates "Trial: \$14.35 Upgrade". The left sidebar contains navigation links for "Develop" and "Monitor", with "Develop" selected. Under "Develop", there are links for "Studio", "Functions and Assets", "Phone Numbers", "Messaging", and "Voice". The main content area is titled "Account Info" and displays the following details:

- Account SID:** AC674a168fa92e54f2830009d96f9676dc
- Auth Token:** A masked token with a "Show" button. A warning message states: "Always store your token securely to protect your account. [Learn more](#)".
- My Twilio phone number:** +15133275826

Below the phone number, a message states: "You are on a trial account. You can only send messages and make calls to [verified phone numbers](#). Learn more about your [trial account](#)".

The right sidebar, titled "Helpful links", contains the following links:

- [How does Twilio work?](#) - Understand how to use Twilio in a 2-minute video.
- [SMS Quickstart guides](#) - Learn the basics of Twilio Messaging APIs.
- [Support help center](#) - Troubleshoot common issues.

The bottom of the image shows a Windows taskbar with various application icons and a system tray displaying the date and time as 22:24 on 16-11-2022.
