

MIT APP INVENTOR ANDROID APPLICATION

LOGIN PAGE:

The screenshot shows an Android application interface for a login and signup form. The status bar at the top displays the time as 8:10 PM, along with icons for alarm, Wi-Fi, 4G, and a battery level of 43%. Below the status bar, a grey header bar contains the text "Screen1". The main background is a solid light pink color. In the center, there is a white rectangular box with the title "Login and Signup form" in bold black text. Below this title are two white input fields with rounded corners. The first field is labeled "username" and the second is labeled "password". Below the input fields are two dark blue buttons with white text. The top button is labeled "login" and the bottom button is labeled "sign up". At the very bottom of the screen, there are three standard Android navigation icons: a square, a circle, and a triangle.
