

SPRINT 1

Twilio account creation:

The screenshot displays the Twilio console interface. The top navigation bar includes the Twilio logo, the account name "My first Twilio account", a trial status of "\$14.35" with an "Upgrade" button, a search bar, and links for "Account", "Billing", and the user profile "Gejashree". The left sidebar contains navigation options: "Develop" (selected) and "Monitor". Under "Develop", there are links for "Studio", "Functions and Assets", "Phone Numbers", "Messaging", and "Voice". Below these is a section for "Explore Products" with a link to "Docs and Support". The main content area is titled "Account Info" and contains the following details:

- Account SID:** AC674a168fa92e54f2830009d96f9676dc
- Auth Token:** A masked token with a "Show" button. A warning message states: "Always store your token securely to protect your account. [Learn more](#)".
- My Twilio phone number:** +15133275826

Below the phone number, a message states: "You are on a trial account. You can only send messages and make calls to [verified phone numbers](#). Learn more about your [trial account](#)".

On the right side of the "Account Info" section, there is a "Helpful links" box containing the following links and descriptions:

- [How does Twilio work?](#): Understand how to use Twilio in a 2-minute video.
- [SMS Quickstart guides](#): Learn the basics of Twilio Messaging APIs.
- [Support help center](#): Troubleshoot common issues.
